Customer Comments

Several BLM Buffalo Field Office review archeologists told us with high praise that reports completed by **Quality Services** are among the very best they reviewed.
Yates Petroleum Corporation

Whoopee! That is great. I hope we can expand on our excellent working relationship.

Bureau Veritas

Quality Services, Inc. has proven to be reliable, on-time, and accurate. They have become my first choice for archeological work. An asset to our team.

CBM Associates, Inc.

Thanks for your extremely timely actions in this case.

USDA Farm Service Agency

Quality Services' work has always met the highest standards in our industry. They have consistently guided our projects through an ever more complex regulatory environment. **QSI** people are team players. We have worked together over many years because they are extremely reliable in meeting all project goals and objectives in a sensible, efficient, effective manner.

Land Recyclers, Inc.

Thanks a bunch for your quickness.

Again, great job on the report.

Ferber Engineering, Inc.

Man you are fast. Thanks!

Storm Cat Energy, Inc.

Quality Services has been a key component of Yates' success. They are team players we rely on to resolve our multi-agency, multi-disciplinary resource issues. We plan to work with the **Quality Services** team on many additional projects in the future because of their excellent quality and reliability track record to meet our planning/development schedules in a timely manner.
